

Preceptor Profile – Sarah Hardman

Sarah qualified as a dental nurse in 1998 and worked in private practice before coming to work at the University Dental Hospital of Manchester in 2004

She qualified as a mentor in 2006 and since then has had lots of experience mentoring dental nursing students and supporting new starters to the hospital

She was asked to become a preceptor to a newly qualified and registered dental nurse in September 2014, who successfully completed the programme in September 2015
