# **PRECEPTORSHIP: LEARNING TOGETHER**

Conference 4<sup>th</sup> November 2015

University of Chester, Warrington Campus

# Questions for you.....

- What are you going to do following today?
- What support and resources would be helpful to achieve your ideal programme?

# What are you going to do following today?

- More involvement in Trust preceptorship programme
- Map and align to HENW standards and take up to board level
- Feedback ideas on handbook, contact with PEF from other areas to own Trust
- How to make links in organisation between new starters, etc
- Evaluation
- How to utilise some of the ideas from the larger organisations into smaller Trusts
- Tracking preceptees, eg. Tracking tools
- Tracking funding and where it should go vs where it goes
- Community Trust – need to do a scoping exercise.
- Organisational preceptorship may not fit the Trust (has a huge footprint) – may be a preceptorship network (Barchester online preceptorship?)
- Maybe link into acute trust and use some of their preceptorship programme?
- Longarm preceptorship

# What support and resources would be helpful to achieve your ideal programme?

- Sharing good practice
- E-win page
- Forum – functionality / access needs to be looked at
- Share email addresses of delegates today
- Need buy-in from the top
- LDA lead identified in each Trust – they should ensure the metrics are delivered
- National mandate for amount of time for preceptorship including part timers
- Preceptorship core framework
